

InsureX Claims and Customer Service Guide

SAMPLE DOCUMENT - fictional content created for the InsureX AI test case. Not a real product.

1. How to make a claim

Customers can claim through the InsureX mobile app, by email to claims@insurex-sample.co.th, at any InsureX branch, or through their agent. Notify the company as soon as possible, and no later than 30 days after the event.

2. Documents for a claim

Claim type	Documents
Medical expenses (PA / Health)	Claim form, original receipts, medical certificate with diagnosis
Accidental death	Claim form, death certificate, police report, ID of beneficiary
Death (Life Secure)	Claim form, death certificate, house registration cancellation, ID of beneficiary
Disability	Claim form, medical certificate confirming permanent disability

3. Claim payment timeline

Complete claims are paid within 15 days of receiving all documents. Direct billing at partner hospitals is confirmed within 1 hour. If payment is late, the company pays interest of 15% per year on the claim amount.

4. Customer service

Call centre: 02-123-4567 (sample number), open every day 08:00 - 20:00. 24-hour emergency and hospital assistance: 1234 (sample). Policy changes such as address, beneficiary or payment method can be made in the app or at a branch.

5. Complaints

Customers who are not satisfied can file a complaint with the InsureX complaints unit, which replies within 7 working days, or contact the Office of Insurance Commission (OIC) hotline 1186.
